Given the choice between the secular fundamentalism of public schools and the watered-down bashful Catholicism of todays parochial schools, its no surprise that more families are turning to alternative means for educating their children in the Faith. However, neither the government nor Catholic archdioceses are willing to cede their control over education, and thus have implemented their own measures to prevent families from taking the matter into their own hands. St. Joes is a real-life story of a group of parents, who after many obstacles, were finally able to control their kids education by forming their own Catholic high school under the local archdiocese. St. Joes Remarkable Journey is truly a remarkable books. Bravo Paul Barra! Bravo St. Joes! - Joseph Pearce, Editor of St. Austin Review This item ships from multiple locations.
