Shockerbook.com, United States, 2011. Paperback. Book Condition: New. 201 x 135 mm. Language: English . Brand New Book ***** Print on Demand *****.Known also by its trademark rhyme, Two in the pink, one in the stink, the shocker is one of our culture s most enduring urban legends, and its over-the-top innuendo has cemented it as one of the most classic of all dirty jokes. Unsurprisingly, most people are disturbed and offended when they find out what the innocent hand gesture really means.Often dismissed as crude and immature, the shocker is thusly overlooked for its cultural and historical contributions. For instance, did you know that the shocker is one of the last urban legends to be born out of word-of-mouth sharing? Introduced today, it would likely become a disposable internet joke. Even more intriguing is how the shocker has remained a mystery to the uninitiated for so long: a middle finger won t fly in a family photo, but the shocker can slip by unpunished.The time has come for a deeper plunge into the mystique of the shocker. The time has come for this book.Like the shocker itself, The Shocker: Two in the Pink, One in the Stink comes in two parts. Part I is a brief-but-intense theory and background of the shocker, which serves as the first, only, and most authoritative work ever produced on the subject. Part II is a collection of 365 hilarious variations on the shocker rhyme; enough for every day of the year! A perfect gift or bathroom reader, The Shocker will provide you and your friends with hours of laughter. Just beware any sneaky pinkies!Examples from Part IITwo in the Blossom, One in the Awesome Two in the Child, One in the Wild Two in the Flirty, One in the Hurty Two in the...
