It is a wise resource that focuses on mitigating the risk of becoming a victim; a precise travel book that teaches you and your family how to develop tactical mindsets and skillsets, and anyone from an average citizen to an elite trained professional how to prevent, escape or defend against terrorist attacks while traveling in a civilized society. It teaches how not to be a passive frozen-up victim of the terrorist attack and survive by knowing how to act and react in many life-threatening situations while traveling in any city. What would you do if you found yourself in the parking lot and you started taking sniper fire Or during Christmas holiday season you are shopping in a crowded mall, and someone begins spraying automatic weapons fire. . . Or you are picking up your luggage in a baggage claim area in the airport, and someone starts throwing hand grenades. . . What would you do If you have never thought these and other similar scenarios through, you are most likely to react with recklessness by endangering yourself and all those around you, to freeze-up and become a helpless victim awaiting rescue. However, these eventual possibilities can be prevented by learning and applying the mindsets and skillsets this book teaches. Using this book as a self-help tactical training manual will allow you and your family to...
