Brand New Book ***** Print on Demand *****.When Laura Brodie decides to homeschool her eldest daughter, her husband isn't the only one to cast her a wary glance. Countless friends and relatives question Brodie's sanity, but, after years of watching her eldest daughter struggle in the rigid public school system, she knows Julia needs a break from the uninspired and overcrowded routine threatening to drag her into depression. One Good Year is a lyrical memoir that recounts the battles and joys that emerge between a mother and daughter when they embark upon a year of homeschooling; steeped in the colors and characters of a small Virginia town, Laura and Julia's story deals in human foibles as much as human potential, describing love and anger along with reading and math.
