Reviews

This publication is fantastic. We have read through and i am certain that i will planning to read yet again yet again down the road. You wont feel monotony at at any time of your respective time (that's what catalogs are for concerning when you request me).

Vintage Publishing. Paperback. Book Condition: new. BRAND NEW, The Broken Boy, Patrick Cockburn, It is very easy to get polio. Patrick Cockburn was six when he woke up one day in the summer of 1956 with a headache and a sore throat. His parents, Claud and Patricia Cockburn, had recently returned to Ireland, to their house in East Cork, careless of the fact that a polio epidemic had broken out in Cork City. He caught the disease and was taken to the fever hospital. The virus attacks the nerves of the brain and the spinal cord leading to paralysis of the muscles. Patrick could no longer walk. The Broken Boy is at once a memoir of Patrick Cockburn's own experience of polio, a portrait of his parents, both prominent radicals, and the story of the Cork epidemic, the last great polio epidemic in the world.
