Great Medical Disasters

By Richard Gordon

House Of Stratus, United Kingdom, 2001. Paperback. Book Condition: New. New edition. 200 x 136 mm. Language: English . Brand New Book. Man s activities have been tainted by disaster ever since the serpent first approached Eve in the garden. And the world of medicine is no exception. In this outrageous and strangely informative book, Richard Gordon explores some of history s more bizarre medical disasters. He creates a catalogue of mishaps including anthrax bombs on Gruinard Island, destroying mosquitoes in Panama, and Mary the cook who, in 1904, inadvertently spread Typhoid across New York State. As the Bible so rightly says, He that sinneth before his maker, let him fall into the hands of the physician.

Reviews

Very beneficial to all category of folks. We have study and that i am sure that i will planning to go through yet again again in the future. Its been printed in an extremely straightforward way in fact it is just soon after i finished reading this pdf where actually changed me, alter the way i really believe.

-- **Emmett Mann**

Comprehensive information! Its this sort of great go through. It really is rally interesting through studying time. I am just quickly can get a satisfaction of looking at a created pdf.
