Reviews

It is really an incredible publication which i actually have possibly read through. It really is writter in easy phrases and not confusing. Once you begin to read the book, it is extremely difficult to leave it before concluding.

Little, Brown Book Group, United Kingdom, 2011. Paperback. Book Condition: New. 196 x 127 mm. Language: English . Brand New Book. For two hundred years, painters, poets and musicians have come to the Catskill Mountain village of Arcadia Falls to escape the pressures of modern life and pursue their artistic visions, and Arcadia College was founded with a mission to nurture young artists and writers. When Meg Rosenthal gets an offer to teach at Arcadia College, it seems a godsend - an escape from a life that's fallen apart. She hopes, too, that Arcadia Falls will be a place where she and her daughter Sally can find some peace and reconciliation. But even though Arcadia Falls proves to be even more beautiful than Meg imagined, it is hardly peaceful. Soon she begins to realize that the public story behind the school conceals deceit, betrayal, and perhaps even murder. As Meg struggles to reconcile the choices she's made in her own life, she begins to fear that by coming to Arcadia Falls she's put herself and her daughter in danger.
