

## Iran Awakening: One Woman's Journey to Reclaim Her Life and Country

Filesize: 7.54 MB

### ***Reviews***

*A high quality pdf as well as the typeface applied was exciting to see. It really is written in simple words and phrases rather than difficult to understand. You will not really feel monotony at any time of your time (that's what catalogs are for relating to in the event you question me).*

Random House USA Inc, United States, 2007. Paperback. Book Condition: New. Reprint. 201 x 130 mm. Language: English . Brand New Book. A NEW YORK TIMES NOTABLE BOOK The moving, inspiring memoir of one of the great women of our times, Shirin Ebadi, winner of the 2003 Nobel Peace Prize and advocate for the oppressed, whose spirit has remained strong in the face of political persecution and despite the challenges she has faced raising a family while pursuing her work. Best known in this country as the lawyer working tirelessly on behalf of Canadian photojournalist, Zara Kazemi raped, tortured and murdered in Iran Dr. Ebadi offers us a vivid picture of the struggles of one woman against the system. The book movingly chronicles her childhood in a loving, untraditional family, her upbringing before the Revolution in 1979 that toppled the Shah, her marriage and her religious faith, as well as her life as a mother and lawyer battling an oppressive regime in the courts while bringing up her girls at home. Outspoken, controversial, Shirin Ebadi is one of the most fascinating women today. She rose quickly to become the first female judge in the country; but when the religious authorities declared women unfit to serve as judges she was demoted to clerk in the courtroom she had once presided over. She eventually fought her way back as a human rights lawyer, defending women and children in politically charged cases that most lawyers were afraid to represent. She has been arrested and been the target of assassination, but through it all has spoken out with quiet bravery on behalf of the victims of injustice and discrimination and become a powerful voice for change, almost universally embraced as a hero. Her memoir is a gripping story a must-read for anyone interested in...
