## 101 PROFUNDITIES

iUniverse. Paperback. Book Condition: New. Paperback. 136 pages. Dimensions: 9.0in. x 6.0in. x 0.3in. What in the world is a proFUNDity Well, its a sentence or two that describes everyday situations (like misplacing your glasses or laughing at the wrong time) in a tongue-in-cheek profound style. Everybody experiences frustrating moments at home or work, while shopping or driving, or when dealing with others. In retrospect, though, those moments often make for amusing stories to share with friends. As you will see from the illustrations and the Table of Contents, 101 ProFUNDities emphasizes the humorous aspects of life, even while sounding like it might have been written by a career bureaucrat (it was). Success in understanding and personally relating to a proFUNDity and its plainspoken titlesubtitle is where the FUN comes in. 101 ProFUNDities will capture the fancy of word-loving adults who have a sense of humor, have been there and done that, and who enjoy wholesome books that require a little thought. Puzzled by Purposeful Jerk (44) or Cerebral Perversity (73) Dont worry; theres a Cheat Sheet in the back that explains everything. Open to any page and enjoy reading for a minute, ten minutes, or an hour. This item ships from multiple locations. Your book may arrive from Roseburg,OR, La Vergne,TN. Paperback.
