Reviews

This publication will be worth purchasing. It really is written in simple terms instead of difficult to understand. It's been designed in an exceptionally simple way and is particularly only right after I finished reading this ebook in which basically modified me, altered the way I believe.

Brand New Book ***** Print on Demand *****.Beth is a drama built around the fraud and failure of many savings and loans in the mid-1980 s. David is a successful south Florida real estate broker. Beth is a legal aid who comes into his life and they become lovers. They plan to be married but the Viet Nam conflict and David s draft notice interrupts their plans. During a conflict, David is shot several times and reported as dead. Beth tries to recover her life and marries another. David returns to south Florida after many years in a Vietnamese prison and for a flash, their love is rekindled. However, neither can live with adultery and guilt, so David leaves Florida. He gives up all that was once his life and floats around the country in an attempt to escape the inner pain. His agony finds outlet in writing and singing blues and folk music. His new musician lifestyle becomes the force which gets him through the days but musicians are not notoriously wealthy and prosperous. His vagabond life carries him to all parts of the country, but without public recognition, he has to maintain some sort of day job. In order to support his music career, he learns the craft of a detective, working for numerous agencies, large and small. He becomes an accomplished detective well before his music talents are recognized, but a few good songs and he is soon a celebrity in both fields. Beth s husband has also become extremely successful as a vice president of a major savings and loan. His recognition brings him a promotion and a new job in northern Virginia. Some years after Beth and her husband have...
