In the Sixth Edition of this highly respected text, the authors provide information about helping children become confident, caring, responsible, and productive people in a strong and thoughtful way. This edition now includes content and examples on infants and toddlers, making the book relevant to teachers of children from birth through age eight. All of the authors recommendations about guidance approaches are based on the sound research of Jean Piaget, Alfred Adler and Carl Roger. These insightful recommendations, for novice and seasoned educators alike, further acknowledge the uniqueness of each child, including how individual temperaments and experiences affect behavior. The authors encourage their readers to treat the root cause of behavior problems rather than just the symptoms in...
