

Tunnel 57: A True Escape Story

Filesize: 7.54 MB

Reviews

A high quality pdf as well as the typeface applied was exciting to see. It really is written in simple words and phrases rather than difficult to understand. You will not really feel monotony at any time of your time (that's what catalogs are for relating to in the event you question me).

(Robyn Nolan)

Christoph Links Verlag. Pamphlet. Book Condition: new. BRAND NEW, Tunnel 57: A True Escape Story, Thomas Henseler, Susanne Buddenberg, This historical comic book is an escape helper's first person account of the construction of a tunnel beneath the divided city of Berlin in 1964: From the preparations on the West Berlin side, the digging of the 145 metre long tunnel into East Berlin, the tunnel opening and the successful escape on the first day, and the dramatic events of the second day which were to have grave consequences. Drawing on authentic interviews with the tunnel builders and refugees and original photographs and documents, writers and illustrators Thomas Henseler and Susanne Buddenberg recreate down to the last detail the dramatic events surrounding Tunnel 57.
